About This Game

Elimination of the Leaders of the Third Reich!

The year is 1942. The British government decides to launch one of the most risky operations of World War II. The targets are the most important figures of the Third Reich. After several months of research, MI6 chose three people: the chances of eliminating them are slim to nothing.
Your targets are: Joseph Goebbels, Heinrich Himmler and Hermann Goering.

Become an MI6 secret agent and execute a mission in the enemy territory.

Go head to head with various classes of enemies controlled by a superior AI supported by the Jupiter EX engine.

Fight through French township of Vervins, a Bavarian castle and a secret facility in Owl Mountains in Poland.

Exploit your surroundings and shoot your enemy from cover using the Covert Fire system.
